Subject: Uninterrupted teaching- learning process for learners

Dear Learners,

As you are aware that all schools and Personal Contact Programmes (PCPs) across the country have been closed in order to contain the spread of Novel Corona Virus (COVID-19). We understand that this may result in loss of academics to you as you are staying indoors and deprived of teaching-learning process. You must be anxious about your Board Examinations as well as for the competition exams for admission to higher education. Keeping in view the present situation, we welcome you for meaningful participation in the on-line mode of learning initiated by NIOS, as under:

- **Massive Open On-line Course (MOOCS):** NIOS course is available on MOOCS in all major subjects at Secondary & Sr. Secondary level on swayam.gov.in/nc_details/NIOS

- **Mukt Vidya Vani:** Live Personal Contact Programmes are available through Web Audio streaming (<https://nios.iradioindia.in/>) from 12:00 Noon to 4:15 and are repeated 3 times a day.
- Learners can also use **Toll Free No.18001802543** of NIOS TV studio to ask questions of the subject concerned during Live Programmes on Swayamprabha DTH Channels.

Accordingly, I request you to participate and take benefit from ICT learning Mode. You will have classroom experience at home. This approach will give an extra edge for last minute preparation and I am sure that the NIOS ICT initiatives will keep you academically engaged and help you during this period.

My best wishes to all learners for their success in the ensuing examinations.

Yours sincerely
