**Subject : Recognition of NIOS Open Basic Education (OBE) Programme i.e. A Level (Class I to III), B Level (Class I to V), C Level (Class I to VIII)**

Dear Sir/Madam,

The Open Basic Education (OBE) programme was initiated and implemented in June 1994 with the aim of providing the primary and upper primary education through alternative means of schooling to adult neo-literates who are not able to take advantage of the formal system of schooling. It is an equivalency programme and provides three tier education under OBE programme i.e A (Class I to III), Level B (Class I to V) and level C (Class I to VIII). In the year 2000, the programme was extended to cover children below 14 years age group with the help of Accredited Agencies (AAs).

NIOS provides alternative channel of learning for Elementary Education (I to VIII) to the marginalised groups who do not have any access to education of their choice. The Open Basic Education programme has been recognised by the Government of India as equivalent education to that of the formal school, for purposes of further education and employment vide MHRD Letter No. F3-11/2002-EGS.I dated 11<sup>th</sup> December 2002. Different States have indicated interest in the programme for out of school children as well as for adolescents and neo literate adults.

NIOS is an autonomous institution under Ministry of HRD, Dept. of School Education & Literacy. It has a system for giving accreditation to the schools and institutions for which it follows the due process and has laid down the norms subject to the fulfillment of infrastructure and facilities available with the school/institution. NIOS has provided accreditation to 427 schools/institutions in the state of Kerala and granted accreditation for running OBE programme under Level A, B and C respectively (list enclosed).

It has come to the notice that some of the AEO/DEO across the State have been issuing letters to the accredited schools/institutions of NIOS directing to shift the learners from Class I to VIII to nearby Government/Aided schools and not to admit anymore learners as if these institutions/schools do not have the required permission to run the classes. This in turn is creating inconvenience to the institutions/schools as well as for learners of marginalized groups and poor section of the society.

Ministry of HRD, Department of School Education & Literacy vide its letter No. 1-3/2012-E.4 dated 28<sup>th</sup> March 2017 has extended the continuance of the OBE Programme for another three years i.e. up to 31<sup>st</sup> March 2020 subject to NIOS showing regular progress on mainstreaming children as per **Section 4 of the Right of Children to Free and Compulsory Education Act.**

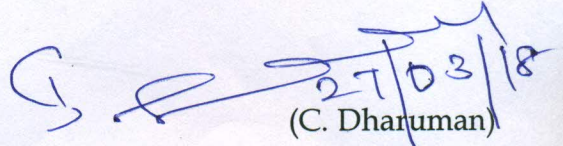

Accordingly, NIOS is running OBE programme at the Elementary Level (I to VIII) and award certificates with the partnering institutions at three levels i.e. A Level (Class I to III), B Level (Class I to V) and C Level (Class I to VIII) to provide education for marginalised groups of the society.

In pursuance of Government of India, Ministry of HRD, Department of School Education & Literacy Letter No. 1-3/2012-EE-4 dated 14<sup>th</sup> March 2018 (copy enclosed), necessary instructions be issued to all concerned that all institutions/schools affiliated (AIs/AVIs/AAs) to NIOS through their partner institutions, fulfilling the norms and standards specified in the Section 18 of RTE Act 2009 but not affiliated to any State Board be treated as schools under the RTE Act 2009.

It is further clarified that NIOS follows the due process of issuing accreditation for running OBE Programme under Level A (Class I to III), Level B (Class I to V) and Level C (Class I to VIII) respectively.

The district wise list of the affiliated institutions/schools as approved by NIOS for running the OBE Programme is attached for kind reference.
