NOTIFICATION-164/2015

The National Institute of Open Schooling has framed the guidelines for implementation of Open Basic Education (OBE) Programme, the same has also been uploaded on NIOS website in the month of December, 2014. The same is being implemented by National Institute of Open Schooling. (NIOS) with the aim of providing primary and upper primary level education through alternate means of Open Schooling to those who are not able to go to a formal schooling or dropped-out.

On completion of the programme, the Accredited Agency submits the result data to NIOS for processing and declaration of the result and issue of certificate. As per the guidelines, on completion of programme by the learner, the Accredited Agency is required to submit a token money to NIOS towards printing cost of certificate. The NIOS would declare the result in a period of two months from the date of submission of the result by the Accredited Agency(AA).

The NIOS has decided to charge Rs.100/- per certificate from the Accredited Agency towards the cost of the printing of certificate since the NIOS is a self generating institution, as such the cost of printing will be borne by the Accredited Agency. The same is effective from 1st January, 2015. All Accredited Agencies (AAs) who have submitted the result data to NIOS on or after 1st January, 2015, has to submit a request i.e. by forwarding a demand Draft of Rs. 100/- per certificate, in favour of Secretary, NIOS payable at Noida/Delhi, for issue of certificate.

This issues with the approval of the Competent Authority.
