Communalism: Feeling of hatred against other religions and blind faith makes one closed to

reason. This attitude becomes a great hindrance in the formulation of public opinion.

(to be assessed as a whole)

4

26. It means that India will use its nuclear weapons only against that country which would have first attacked India with a nuclear bomb.

India will never use its nuclear weapons against a non-nuclear weapon state.

It will not use its nuclear weapons even against a nuclear state if that country does not use its nuclear weapons against India. Its weapons are only meant to be a deterrent.

(to be assessed as a whole)

4

27. (i) India believes in racial equality of all peoples, and condemns discriminations against any race.

(ii) Mahatma Gandhi was a victim of racial discrimination against people of Indian origin in South Africa, where he developed the weapon of satyagraha.

(to be assessed as a whole)

4

28. Non-aligned movement had a condition that its members would not enter into treaty relationship with a Super Power in the context of cold war. However, the Indo-Soviet Treaty was not against the principles of Non-Alignment.

India was left with no alternative but to sign the Treaty with the Soviet Union when the U.S.A pledged support to Pakistan in the expected war on the Bangladesh issue.

The treaty was only a deterrent which prevented USA and China from supporting Pakistan which led to its defeat and creation of Bangladesh.

(to be assessed as a whole)

4

-
29. (i) Weakening of Imperialism after the 2nd World War and change of Government in Britain. Labour Government which came to power was sympathetic to Indian aspirations.
