# SOCIAL SCIENCE (213)

Time: 3 Hrs. Maximum

Marks: 100

#### Note:

I. This question paper consists of **51** questions in all.

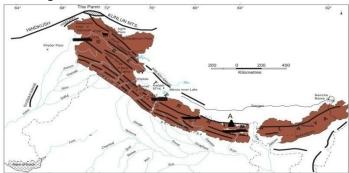

- II. All questions are compulsory.
- III. Marks are given against each question.
- IV. Section- A consists of
  - a) **Q.No. 1 to 20** Multiple Choice type questions (MCQs) carrying **1 mark** each. Select and write the most appropriate option out of the four options given in each of these questions.
  - b) Q.No. 21 to 35 Objective type questions carrying 02 marks each (with 2 sub-part of 1 mark each). Attempt these questions as per the instructions given for each of the questions.
- V. Section- B consists of
  - c) Q.No. 36 to 41 Very Short type questions carrying 02 marks each to be answered in the range of 30 to 50 words.
  - d) Q.No. 42 to 47 Short Answer type questions carrying 03 marks each to be answered in the range of 50 to 80 words.
  - e) Q. No. 48-49 Skill (Map) based questions carrying 04 marks each. (Alternative questions are given in lieu of Map based Questions for Visually Impaired candidates.)
  - f) Q.No. 50 to 51– Long Answer type questions carrying 06 marks each to be answered in the range of 80 to 120 words.

## Sample Question Paper Social Science (213)

Time: 3 Hrs. Max.Marks: 100

Q.N.	Questions	M
	Section A

35	Political & Harmony	2
	Section B	

36.	• It made the landlord or zamindar deposit a fixed amount of money in the state treasury.	2
	It recognized landlord or zamindars as hereditary owners of land.	
37.	In September 1873, Jyotirao formed the Satya Shodhak Samaj (Society of Seekers of Truth) with the main objective of liberating the lower castes and protecting them from exploitation and atrocities.	2
	OR	
	She promoted girls' education and started the Arya Mahila Samaj in1881, in Pune, to improve the condition of women.	
	In 1889, she established the Mukti Mission, in Pune, a refuge for young widows who had been deserted and abused by their families.	
38.	There are six fundamental rights given in the third part of the Indian Constitution.	2
	(i)right to equality, (ii) right to freedom, (iii) right against exploitation, (iv) right to freedom of religion, (v) cultural and educational rights, and (vi) right to constitutional remedies	
	Any Two point	
	OR	
	There are ten fundamental duties are given in the part IV of the Indian Constitution.	
	1. to abide by the Constitution and respect its ideals and institutions, the National Flag, National Anthem; 2. to cherish and follow the noble ideals which inspired our national struggle for freedom; 3. to uphold and protect the sovereignty, unity and integrity of India; 4. to defend the country and render national service when called upon to do; 5. to promote harmony and the spirit of common brotherhood amongst all the people of India and to renounce practices derogatory to the dignity of women; 6. to value and preserve the rich heritage of our composite culture; 7. to protect and improve the natural environments including forests, lakes, rivers and wildlife; 8. to develop the scientific temper, humanism and the spirit of inquiry and reform; 9. to safeguard public property and not to use violence; and 10. to serve towards excellence in all spheres of individual and collective activity	
	(Write any two)	
39.	A pressure group is an interest group which exerts pressure on the government or the decision-makers for the fulfillment of their interests. It is strictly structured, pressure-focused and influences the policies of the Government. They are also harsher, protective and promotive in their attitude.	2
	OR	
	Interest groups are organized groups of people which seek to promote their specific interests. Their characteristics are: (a) they are well-organized, (b) they have certain	

	common interests, (c) the interest that unites the members is specific and particular	
40.	Right to freedom of religion is important as India is a Secular and multi-religion country, and the objectives of these provisions (given in Preambleand in Fundamental rights) are "to secure to all its citizens liberty of belief, faith and worship".	2
41.	These duties are in the nature of a code of conduct. Since they are un-justifiable, there is no legal sanction behind them. As you will find, a few of these duties are vague. For example, a common citizen may not understand what is meant by 'composite culture', 'rich heritage' 'humanism', or 'excellence in all spheres of individual and collective activities. They will realize the importance of these duties only when these terms are simplified.	2
42.	the Indians would be ready to work as clerks on low wages.	3
	to create a class of Indians who were loyal to the British.	
	to use English educated Indians to spread English culture to the masses.	
	to use education as a means to strengthen their political authority in the country.	
	OR	
	In 1822, the British introduced the Mahalwari Settlement in the North Western Provinces, Punjab, the Ganga Valley and parts of Central India. Here the basis of assessment was the product of a mahal or estate, which may be a village or a group of villages. Here all the proprietors of mahal were jointly responsible for paying the sum of revenue assessed by the government. Unfortunately it brought no benefit to the peasants as the British demands were very high.	
43.	The reform movements created socio-religious consciousness among the Indians.	3
	All these reform movements laid stress on rational understanding of social and religious ideas.	
	The introduction of modern education guided the Indians towards a scientific and rational approach to life.	
	These movements criticized caste system and practice of untouchability.	
	<ul> <li>Importance was given to education especially women's education.</li> </ul>	
	Efforts of these reform movements were visible in the National Movement.	
	Instilled in the minds of Indians greater self-respect, self-confidence and pride in their country.	

44.	Factors affecting the climate of India:	3
	i. Location	
	ii. Distance from the sea	
	iii. Altitude	
	iv. Mountain ranges	
	v. Direction of surface winds	
	vi. Upper air currents	
	(Any three with explanation, 1 x 3)	
45.	Cycle of season affects our social and cultural life. Agricultural activities in India are totally dependent on cycle of season. Floods and draughts are hindrances in the economic growth. All our activities are related with the seasons. Our festivals, foods, clothing, are related with seasons. Foods in specific season are also related with festivals. (Assess as a whole)	3
	OR	
	Monsoons are not steady winds. They are irregular in nature affected by different atmospheric conditions i.e. due to regional climatic conditions.	
	Monsoons are not equally distributed. Some areas receives heavy rainfall while others less.	
	When monsoon arrives, it gives heavy rainfall which continues for several days. This is known as 'burst of monsoon'. This occurs mainly at Kerala coast where it reaches first.	
46.	The Government of India has adopted a three-pronged strategy to meet the urgent need for empowerment of Scheduled Castes and Scheduled Tribes in the country, social empowerment was one of them. Constitution of India makes a number of commitments under its various provisions for the development of these groups.	3
	OR	
	Sustainable development is defined as 'development that meets the needs of the present without compromising the ability of future generations to meet their own needs'. It is not focus solely on environmental issues.it includes economic development, social development, individual development and environmental development.	
47.	Non-alignment has been regarded as the most important feature of India's foreign policy. India led the process of evolution of the concept of non-alignment during the period, when the world was divided between two camps.	3
	NAM has been a milestone in the international peace and role of India. The policy of non-alignment won many supporters in the developing countries as it	

	provided an opportunity to them for protecting their sovereignty as also retaining their freedom of action during the tension ridden cold war period. India as the prime architect of non-alignment and as one of the leading members of the non-aligned movement has taken an active part in its growth.	
48.	a. Porbandar b. Marmagaon	4
	c. Raja Sansi International Airport, Amritsar

	Himalayan River System	
	1. They are Perennial rivers originating from glaciers. 2. Rivers form valleys by the process of erosion. 3. The rivers are ideal for irrigation purposes as they pass through plain fertile tracts. 4. These rivers have meandering courses which shift over time.	
50.	Indian society underwent many changes after the British came to India. British	6

brought new ideas such as liberty, equality, freedom and human rights from the Renaissance, the Reformation Movement and the various revolutions that took place in Europe. This led to several reform movements in different parts of the country. These movements looked for social unity and strived towards liberty, equality and fraternity. Many legal measures were introduced to improve the status of women.

- the practice of sati was banned in 1829 by Lord Bentinck.
- ❖ Widow Remarriage was permitted by a law passed in 1856.
- ❖ A law passed in 1872, sanctioned inter-caste and inter-communal marriages.
- ❖ Sharda Act was passed in 1929 preventing child marriage.
- Reform movements criticized caste system and practice of untouchability.
- Provisions were made for the education of women.

Another major economic impact of the British policies in India was the introduction of a large number of commercial crops such as tea, coffee, indigo, opium, cotton, jute, sugarcane and oilseed. Different kinds of commercial crops were introduced with different intentions.

- ❖ Indian opium was used to balance the trade of Chinese tea with Britain in the latter's favor.
- Indians were forced to produce indigo and sell it on the conditions dictated by the Britishers. Indigo was sent to England and used as a dyeing agent for cloth produced in British towns.
- Commercialisation of agriculture further enhanced the speed of transfer of ownership of land thereby increasing the number of landless laborers.
- Today in the democratic countries, political parties are considered as essential components for the formation and working of the government. Political parties actually help the institutions and processes of a government democratic. They enable people to participate in elections and other processes of governance, educate them and facilitate them to make policy choices.

Characteristics of the Political Parties-

Following can be identified as their main characteristics:

- A political party is an organized group of people;
- The organized group of people believe in common principles and common goals;
- Its objectives revolve around seeking political power through collective

efforts;

- It employs constitutional and peaceful methods in seeking control over the government through elections; and
- While in power, it translates its declared objectives into governmental policies.
