SAMPLE QUESTION PAPER (THEORY) Indian Sign Language (230)

Time: Two Hours

Maximum Marks: 40

Note:

- i. This Question Paper consists of 29 questions in all.
- ii. All questions are compulsory.
- iii. Marks are given against each question.
- iv. Section A consists of Question Numbers 1 to 20, attempt as per instructions below:
 - a) Q. No. 1 to 8 are Multiple Choice questions (MCQs) carrying 1 Marks Each. Select and write the most appropriate option (A, B, C or D).
 - b) Q. No. 9 to 12 are One Word Answer type Questions, carrying 1 Marks Each. 4 Hint words are supplied with each such question, Select and write the most appropriate word.
 - c) Q. No. 13 to 16 are Fill in the Blanks type Questions, carrying 1 Marks Each. 3 Hint words are supplied with each such question, Select and write the most appropriate word.
 - d) Q. No. 17 to 20 are True/ False type Questions, carrying 1 Marks Each. Read the questions carefully, and answer by writing either **True** or **False** as per your choice.
- v. Section B consists of Descriptive type Question given at numbers 21 to 29, Video tape your answers for this questions
 - a) Q. No. 21 to 23 Very Short Answer type 1, carries 1 Marks each, to be answered in the range of 1 word to 1 phrase.
 - b) Q. No. 24 to 26 Very Short Answer type 2, carries 2 Marks each, to be answered in the range of 30 to 50 words.
 - c) Q. No. 27 & 28 Short Answer type carries 3 Marks each to be answered in the range of 50 to 80 words.
 - d) Q. No. 29 Long Answer type carries 5 Marks to be answered in the range of 80 to 120 words.

	Multiple Choice Questions		
1.	When we study the smallest units of signs in ISL, e.g. handshape and movement, that		
	means we are studying -		
A)	Morphology		
B)	Syntax		
C)	Phonology		
D)	Vocabulary		
	Secondary C	ourse	

Section A
