WELCOME TO NIOS

Dear learner,

I congratulate and welcome you for choosing the National Institute of Open Schooling (NIOS) as your preferred option for continuing your studies. You will find that NIOS is an institution with a difference. It is an open school which encourages flexibility and freedom to learn. About sixteen lakh learners are on roll of NIOS pursuing their Secondary, Senior Secondary and Vocational Education courses. By joining NIOS, you too will become a part of the Largest Open Schooling System in the World.

NIOS acts as a national level Board of School Education. It has been vested with the authority to enroll, examine and certify learners up to pre-degree level. The Open Schooling courses of study of NIOS have the same standard and equivalence as the courses of study of other National/State level Boards of School Education. Learners have joined colleges and professional institutions after completing their studies from NIOS.

NIOS offers its courses of study through Open and Distance Learning (ODL) mode of education popularly known as Open Schooling. NIOS develops its own curriculum, self learning material and media support programmes utilizing expertise of faculty from various Academic and Vocational Education institutions/organizations.

In the interest of learners, NIOS has introduced On-line admission throughout the year (24 x 7) to facilitate registering themselves with it. Under this scheme learners have the options to (a) register themselves On-line directly (b) may visit their nearest AI (study centre)/Facilitation Centre and take their help for On-line registration. (c) may visit their nearby NIOS Regional Centre for on line-registration.

NIOS offers 27 subjects (including 17 languages) at the secondary stage in eight mediums (Hindi, English, Urdu, Gujarati, Marathi, Telugu, Malayalam and Oriya) and in 23 subjects (including five languages) at the Senior Secondary stage in three mediums (Hindi, English and Urdu). A cafeteria approach in the choice of subjects is offered. No subject is compulsory except one language. One can choose subjects according to his/her interest, need and vision of career path. Provision has also been made for the learners to opt for one vocational education subject along with academic subjects. You have the freedom to choose your subjects, pace and place of learning.

NIOS has more direct link with its learners. The study material is now sent directly to each learner. He/she can now communicate directly with NIOS via the Learner Support Centre (LSC) for providing prompt and direct support. The study material developed by NIOS is in self learning mode. The print material coupled with face to face Personal Contact Programme (PCP) at the Study Centres and Media Support Programmes (Audio-Video cassettes, Broadcast and Telecast of programmes) empower the learners of NIOS to come to the standards of the learners studying in formal schools. During the course of study in NIOS, a learner can also avail of the facility of the Tutor Marked Assignments (TMA) which helps in developing regular study habits and checking the progress of learning.

NIOS conducts two public examinations in one academic year i.e. in April-May and in October-November. There is a facility of accumulation of credits. I would specifically like to mention a significant innovation introduced by NIOS in its examination system. It is the On Demand Examination System (ODES) which gives an opportunity to the learner to appear in examination in a subject as and when he/she feels ready for it.

This Prospectus gives you details of admission, courses of study, instructional process, payment of fee, study centres, equivalence of NIOS examination and information about several other items that are relevant and useful to those who desire to enroll in NIOS courses of study. For any query, you can contact any time. Our Call Centre has toll free number 1800-180-9393. Its email address is: lsc@nios.ac.in

Once again, I welcome you to NIOS with the hope that you will find your studies at this institute meaningful and rewarding.

With best wishes,

(Dr. S.S. Jena)

For subjects involving practical, you will have to appear in both theory and practical for improvement of your performance. Better of the two results would be considered and indicated in the marksheet. NIOS will issue only marksheet if you have already certified.

In case of ODES you can appear for improvement of performance till your satisfaction. However, the learner cannot appear in the ODE in a particular subject twice in the same month.

Re : National Open School-Equivalence of Senior Secondary Certificate Examination

Dear Sir.

We have noted that Govt. of India have set up the National Open School on 23 November, 1989. The 'NOS' offers courses preparing students for the Secondary and Senior Secondary School Examinations, apart from other courses. The Govt. of India, through a Resolution, vide No. F5/23/90 dated 14 September 1990, vested the National Open School with authority to examine and certify its students.

The Association of Indian Universities, at their recent meeting has granted equivalence of the courses of NOS with those of other examinations of recognized boards for purposes of admission to higher studies at Indian Universities. The matter has been brought to the notice of all Universities in the country for their appropriate action.

Kindly write to us in case of any difficulty by the students; we would approach the Universities accordingly.

Thanking you,

Yours faithfully.
